

THE LORI SCHOTTENSTEIN  
CHABAD CENTER

## Inaugural Celebration

*Dear Friends,*

*We are so excited to celebrate an important milestone for Chabad on Thursday, May 12, at 6:30 PM.*

*This new facility will house our synagogue, Friendship Circle, Hebrew School, LifeTown, classes, teen programs, events for young adults, holidays and life cycle events.*

*Think back over the years how you have been touched by Chabad - a class, volunteering with Friendship Circle, Friday night dinner, woman's event, spending time with one of our Rabbis and his family.*

*This evening belongs to you as we celebrate the growth of Chabad. It would mean so much to us to share this evening with you. It is truly a meaningful moment that each of you are an important part of.*

*We look forward to seeing you,*

*Rabbi Areyah and Esther Kaltmann*
